

About the Builder

P.O. Box 6341, NASHUA, NH 03063-6341

Sequel Development has over a decade of experience and expertise in building multi-family homes and providing property management services throughout the greater Southern New Hampshire area. Quality construction and value in classic New England style architecture are standard in Sequel homes.

Sequel is an ENERGY STAR partner, building all projects to the rigorous standards of the Energy Star Certification. This provides the highest level of energy efficiency and potential investment appreciation.

Sequel built homes include one of the most effective insulation assemblies, high performance windows, efficient heating and cooling equipment and ENERGY STAR qualified lighting and appliances. Energy efficient choices can save home owners about a third on their energy bill without sacrificing features, style or comfort.

Sequel Development is proud to be a member of HBRANH and NAHB.

Home Builders & Remodelers Association of New Hampshire is dedicated to the evolution and continued growth of the building industry – the improvement of building materials and products through research and development, and providing housing to families of all income levels.

NAHB is a trade association that helps promote the policies that make housing a national priority. Since 1942, NAHB has been serving its members, the housing industry, and the public at large.

Sequel was founded in 1994 by Peter Dolloff and Steven Vallier. Construction projects include several multi-family developments primarily in Southern NH. Sequel currently manages over 600 condominiums and apartments in the Nashua and Manchester area.

Experience and a commitment to quality construction make Sequel a name you can trust.
