

Lake Street Place
SequelDevelopmentNH.com

Now Starting at \$179,900

Sequel Development has over a decade of experience and expertise building multi-family homes and providing property management services throughout the greater Southern New Hampshire area. Quality construction and value in classic New England style architecture are standard in Sequel homes. Lake Street Place was built in 2007 and Sequel continues to maintain the property with responsive customer service.

The development consists of five tri-level townhome style units all with bright, airy and spacious open floor plans. Features include:

- ***Two Large Bedrooms with ample closet storage***
- ***1.5 Bathrooms***
- ***1200 Sq Ft of spacious living***
- ***Garage w/remote***
- ***Private second floor deck***
- ***Convenient washer/dryer hook-ups***
- ***Central air conditioning***
- ***On-Demand Water Heater***
- ***High Efficient Heating System***
- ***Fully applianced kitchen with refrigerator, gas range, micro-hood, and dishwasher***
- ***Energy Star Rated, which means that the utility costs are up to a third less than those of a comparable unit!***

The Lake Street townhomes are conveniently located at 60 Lake Street, Nashua, NH near downtown shopping, restaurants, banks, post office and public transportation. Just minutes from major highways, Everett Turnpike and the Pheasant Lane Mall.
