

SEQUEL OUTDOOR SERVICES

Sequel Outdoor Services aims to provide superior grounds maintenance services to our customers in a professional and personal manner. Our mission is to work cooperatively with our clients to ensure that each property is cared for to the highest quality possible.

Sequel Outdoor Services specializes in landscape and grounds maintenance for small and medium sized condominium complexes, commercial properties, and large single family properties.

With its 15 year history in the property management field, Sequel understands what superior grounds maintenance really means. Our organization is small enough to allow us to be personally available to our customers, yet large enough to guarantee fantastic results.

Spring & Fall Cleanup

- Sweep and remove salt and sand from parking lots and lawns
- Edge all mulch beds and spread new mulch

Mowing

- Mow the property weekly to maintain a neat, manicured appearance

Fertilization

- Programs customized to meet your property's needs
- Service performed by licensed technicians

Tree & Shrub Pruning

- Performed as needed to maintain the appearance of your property

Irrigation Systems

- Start-up and shut - down
- Maintenance and repairs

We will be happy to customize a plan to meet any of our customers' needs or budgets. Please contact us to discuss our services or to request a quote. We look forward to speaking with you!
